

Washing Instructions

In following the below care instructions, you will obtain lasting satisfaction from your wig.

Step 1:

Brush out gently using wire wig brush. Hand wash in cool water with our special wigs shampoo. Rinse in clean cool water.

Step 2:

Handwash in cool water with our special wigs conditioner. Do not rinse in cool water.

Step3:

Fluff up fiber of wig to allow air to circulate. Allow to dry naturally on a towel or on a wig stand. Let the wig dry thoroughly before brushing.

Warning:

Do not blow dry or curl the wig. Keep away from heat above 50° C.
